MESSAGE TO PARENTS

Church Camping is a unique opportunity for youth (and adults) to have fun together, learn and grow together in an intentional Christian Community, religious education setting, and outdoor environment.

Included in all camping programs are Bible Studies, worship and learning experiences, and outdoor activities.

This year the theme is "God Is Here" a study of the Third Article of the Apostles' Creed.

Please review the summer camp activities as a family. Select the type of programs which are of interest to you. Not all the programs have the same activities. Note in the schedule the appropriate grade (this is the grade entering in the Fall).

Campers live in hogans, a tent on a platform, or the winterized retreat houses. Three well-rounded meals are served daily in the dining hall. A snack is provided in the evening.

The camp staff is composed of committed and well-prepared college age group leaders, camping pastors, supervisory staff, adult volunteers, program specialists, and support staff.

Registration and Payment Fees

The registration fee must accompany the application. Please do not send cash. Check or money order preferred. The fee for all programs include curriculum and arts and crafts materials.
