

## Lord, You Are

Lord, you are more precious than silver

Lord, you are more costly than gold

Lord, you are more beautiful than diamonds

And nothing I desire compares to You

(CHORUS) And I exalt thee, I exalt thee, I exalt thee, Oh Lord,

I exalt thee, I exalt thee, I exalt thee, oh Lord

Lord, your love is wider than the oceans

Lord, your love is deeper than the sea

Lord, your love encompasses the nations

Lord, your love has set me free

## Love Round

Love the Lord your God with all your heart

And all your soul and all your mind

And love all humankind as you would love yourself and

L....o....v....e....

The Lord your G....o....d....

With all your heart (tick tick, tick tick)

And all your soul, and mind, and love all human kind

We've got Christian lives to live

We've got Jesus' love to give

We've got nothing to hide

Because in God we abide

## Mrs. Phillip's Prayer

It was early one morning in a small western town

The church was near empty but it didn't get us down

We asked Mrs. Philips to lead us in prayer

The words that she said hit me dead in my chair

(CHORUS) She said our lives are a Bible for some folks to see

I wonder just what they are reading in me

Are they reading God's mercy and love in my life?

Are they reading pain, jealousy, envy and strife?

I wonder just what they are reading in me

You know I've never quite looked at my life in that way

Our lives tell a story every day

When you're living in the darkness it shows on your face

We call ourselves Christians but bring Jesus disgrace

- CHORUS -

Cuz when you're living in the light, it shines like a neon sign

They see the truth in us, they know we're not lyin'

When you're living with the joy that's been placed in your soul

You have a piece of life that will never grow old

## Oh, How I Love Jesus

Oh, how I love Jesus

Oh, how I love Jesus

Oh, how I love Jesus

Because he first loved us

Do you love Jesus? (Yes, I love Jesus)

But do you really love Jesus? (Yes, I really love Jesus)

Then tell us why you love Jesus (This is why I love Jesus)

Because He first loved us, that's the reason I'm telling you....

## One Name Under Heaven

One name under heaven whereby we must be saved (2x)

Forgiven of our sins, baptized in the water

Filled with the Holy Ghost, washed by the blood of the Lamb (2x)

Free, really free my friends

Free by the blood of the lamb (2x)

God's gonna move this place, God's gonna move this place

God's gonna turn this whole world upside down (2x)

One name under heaven whereby we must be saved (2x)

## Pass It On

It only takes a spark to get a fire going  
And soon all those around will warm up in its glowing

(CHORUS) That's how it is with God's love  
Once you experience it  
You spread His love to everyone  
You want to pass it on

What a wondrous time is spring when all the trees are budding  
The birds begin to sing, the flowers start their blooming

- CHORUS -

I wish for you my friend this happiness that I've found  
You can depend on Him, it matters not where you're bound

(CHORUS 2) I'll shout it from the mountain top (PRAISE GOD)  
I want the world to know  
The Lord of love has come to me  
I want to pass it on

## **Peace Like a River**

I've got peace like a river, I've got peace like a river,

(CHORUS) Pharaoh, Pharaoh! Oh baby let my people go

Yeah, yeah, yeah, yeah

That I should come over here and say

"Get my people outta Pharaoh's hands

And lead them all to the promised land." I said...

2) Well me and God's people goin' to the Red  
Sea  
And Pharaoh's army was a-comin' after me  
I raised my rod and stuck it in the sand  
And all of God's people walked across dry land. I  
said... (CHORUS)

3) Well Pharaoh's army was a-comin' too  
So what do you think that I did do?  
I raised my rod and I cleared my throat  
And all of Pharaoh's army did the dead man's  
float, Singin... (CHORUS)
