

Waves of Mercy

Every step I take I take in you, you make me move, Jesus

Every breath I take I breathe in you.

Every move I make I make in you, you are my way, Jesus

Every breath I take I breathe in you

Waves of mercy, waves of grace

Everywhere I look, I see your face

Your love has captured me

Oh my God, this love, how can it be?

Na na na na na na, na na na na na na

Na na na na na na, na na na na na na

Woke Up This Morning With My Mind

Woke up this morning with my mind and it was stayed on Jesus

You Are the Reason

You are the reason I ... live
You are the reason I ... move
You are the reason I ... breathe
You are the reason it's ... you

You are the reason, you are the reason, you are the reason it's you
You are the reason, you are the reason, you are the reason it's you

And after everything is over (over)
You'll be the song that I sing forever (and ever)

You're the Source

You've kept watch over me since I was a child
You stayed close while my heart has gone running wild
You've welcomed me back again and again
You offered your kindness, forgiven my sin
You're the source of all the good gifts I know
No one else can equal the love you show
Though my praise for you often comes so slow
How I long for my life in you to grow
